Open Night at St John Ambulance Granville Division

St John (NSW) Granville division is holding an open night on Tuesday 28 October to show local residents what is like to be part of St John.

The local community is encouraged to come along to see first hand what St John does for the Granville area, as well as the broader Sydney area and to enjoy a free BBQ and giveaways.

Also, for those who have an interest in volunteering with St John, it is an opportunity to see the type of activities involved and to learn how rewarding it is to give back to their community.

St John volunteers will be on hand to talk about their division, their role in local events and real life event experiences.

State Operations Officer, Didier Moutia, describes how volunteers are essential to St John.

“The volunteers are the backbone of St John and we value the extraordinary work that they do every day of the week. St John first aid volunteers are on duty at large community events including Big Day Out, New Year’s Eve celebrations, the Royal Easter Show and the City to Surf. They are also at local sporting, school and community events such as the Auburn festival.” Mr. Moutia said
