

Our sales representatives can survey your premises and discuss the following service options with you.

1. Service Agreement

St John manages the entire service for you.

An agreement is entered into based on the nature and size of your business. A sales representative will visit your site at agreed intervals, for example, monthly, quarterly, half yearly etc. Your sales representatives will clean the kits, examine the integrity of the contents, check the expiry date of the pharmaceutical items, and restock the kits to meet OH&S regulations. Extra items can be added if requested. Current fees are \$49.50 for the initial kit and \$27.50 for each additional kit. Plus the cost of items added.

2. Call Out

You call us when restocking is required.
